Sailor Iron Mouse stands in front of the woman with short brown hair. She seems hypnotized. The evil Sailor Guardian smiles, clasping her arms together. Sailor Iron Mouse's golden bracelets begin to glow. Two balls of energy shoot out of the bracelet's stones and into the woman. The woman finds herself naked. The brunette screams in pain and pleasure. Her pussy gets wet and she orgasms as her Star Seed is extracted. It's all sticky and creamy. Sailor Iron Mouse grabs it, but the crystal turns black.

"Damn, It's not a real Star Seed! But at least I can have some fun with this woman before she turns into a Phage."

Sailor Iron Mouse, laughing, thrusts a finger into the brown-haired woman's wet pussy. The evil Sailor Guardian fingered her victim's pussy and she came a second time.

Sailor Iron Mouse removes her finger and the woman becomes a Phage. Sailor Iron Mouse orders her to find the Sailor Guardians and kill them.

"You've already found us, you fool!" Said Sailor Uranus' voice.

She appears, followed by Sailor Neptune, Sailor Pluto and Sailor Saturn.

"Nooooo!" Sailor Iron Mouse says. "How did you get here so fast? Never mind!"

While the Phage confronts the outer system's Sailor Guardians, Sailor Iron Mouse flees. She knows she's too weak to face them. Even so, she had fun with the brown-haired woman.
